

**Preschool Open Enrollment begins on January 27. Submit completed request forms with a copy of the child's birth certificate and the non-refundable \$100 enrollment fee.** Requests are processed in the order received until we reach capacity; priority is given to currently enrolled families and siblings whose materials are received by March 1. Program registration offers are mailed late March, and require a \$150 tuition deposit to confirm placement. Classroom assignments are available in mid-June. All placements are subject to the Head of School's approval. Preschool enrollment does not guarantee future admission into primary programs.
